

Care instructions

wenatex® AquaStop Cover

Care icons:

In order to enjoy your Wenatex product for a long time, please observe the following care instructions:

- The wenatex® AquaStop Cover is **washable at 60 °C**.
- **Attention:** The wenatex® AquaStop Cover is **not dryer-proof** and **should not be ironed**.
- Please use the **wenaCare® Laundry Detergent specially developed for Wenatex products** (or another liquid mild detergent without optical brighteners). Please follow the dosage guidelines on the package.

We recommend:

wenaCare® Laundry Detergent
for Bedding
