

wenaCel® comfortPlus Orthopaedic Mattress

The wenaCel® comfortPlus Orthopaedic Mattress sets new standards in terms of healthy and restful sleep.

TENCEL™
is a trademark of Lenzing AG

Mattress cover characteristics:

- Sanitized® hygiene function
- Outstanding moisture management
- 5-zone wave-shaped quilting to ensure optimal form-fitting
- Washable at 60 °C, **not suitable for tumble drying**

wenaPur® comfortPlus cold foam core characteristics:

- Breathable wenaPur® comfortPlus cold foam
- Unique SMT*cut in brook pebble design: ergonomic adaptation and cutting depths for outstanding form-fitting
- Deeper cuts take pressure off the shoulders; optimal support and maximum comfort for the lumbar and pelvic area
- Excellent long-term durability; volumetric weight: 52 kg/m³
- Extra-wide airwave band for optimal ventilation

General information:

- Core height: 18 cm; total height: 22 cm
- Available in all standard sizes
- Products can be custom-made on request

*SMT = surface modification technology
