

wenaCool® Pillow

This pillow combines maximum ergonomic comfort with a special cooling effect. In order to ensure restful and healthy sleep especially in the warm season, this pillow is an indispensable component of your sleep system.

wenaCool® High-tech Fleece with its honeycomb structure of cooling micro capsules

Product components:

TENCEL™ is a trademark of Lenzing AG

Characteristics:

- Cooling effect without freezing due to the special wenaCool® fleece
- Ticking and cover (outer shell) washable at 60 °C (only wash the filling material in the closed ticking), **not dryer-proof**
- Sanitized® hygiene function
- Easy to care for and hygienic
- Soft as silk, thanks to wenaLoft® comfort and satin consisting of TENCEL™ Lyocell fibres and cotton
- Memory effect: wenaLoft® filling material is especially elastic and recovers its original shape.
- Removable filling
- Available size: 40 x 80 cm – no other sizes possible

Perfect for:

- the warm season
- people who enjoy cool sleep
- people who quickly become too warm during sleep
- holidays and travel
